Communion Reflection... To separate the two great commandments is a tragedy and goes clean contrary to the Gospel. Yet, unfortunately, this often happens. Those who have faith often have no love, and those who love often have no faith. Thus, the Gospel has been torn in two. Jesus spoke of two great commandments. The first - that we should love God. The second - that we should love our neighbor. He didn't say that they were the same thing, but that they are like two sides of the one coin. If we want the total Gospel we must have both. He, himself, showed us how to do this.

FROM THE
PASTOR'S DESK

With all the optional extras and accessories, today's modern car is still a basic four wheel vehicle powered by an engine. While they possess a whole array of items designed to make beautiful music, guide our navigation and provide a comfortable ride; they still require fuel and an intelligent person behind the wheel. Despite our different colors, size and personality, God made us with the same physical and emotional needs. Besides requiring food, shelter and clothing we all need to be loved and treated with human dignity. Money, talent and intelligence are just accessories to the basic human being created in God's image. Remember this when you're tempted to look down on those with less or stand in awe before those who possess more than you do.

St. John the Evangelist Parish welcomes long-time registered nurse and **parish nurse** candidate Cheryl Smith who is doing her placement here at St. John's. She is available for friendly home visits to parishioners who are homebound, if you are interested. Stay tuned for a survey of our parish to understand the wishes of our congregation related to lunch and learn sessions or other community supports.

Provide A Meal... This weekend is our Chili Collection for The Good Shepherd. Chili's may be dropped off in the freezer, located in the porch of the house at St. John's Church. We are grateful for your support and only together it is possible for us to provide needed services to those less fortunate in our community. Every chili donation is more than a food donation—it is a reminder that someone cares, that someone is willing to share, and that hope is always within reach.

The way of conquest over the material, the temporal, which all My disciples should know, is leaned by the conquest of the physical, the self-life, in each of you.

So seek, in all things to conquer. Take this as a very definite Guidance. Circumstances are adverse. Temporal power, as money, needs to be forthcoming. Then seek daily more and more to obtain this self-conquest, and you are gaining surely, though you may not see it, conquest over the temporal forces and powers. Unemployment would cease if man realized this. If he has not the work let him make himself a conquering force, beginning with the conquest of all evil in himself, then in his home, then in all round him. He will have become a force that will be needed, and must be employed. There are no idle hours in My Kingdom. Waiting may seem a time of inactivity, as far as the outer world is concerned, but it can, and should, be a time of great activity in the inner life, and the surrounding material plane.

A Prayer for generosity

Lord, teach me to be generous.
 Teach me to serve you as you deserve;
 to give and not to count the cost,
 to fight and not to heed the wounds,
 to toil and not to seek for rest,
 to labour and not to ask for reward,
 save that of knowing that I do your will.
